Bergen's Top Lawyers

(201) Magazine is proud to present the results of the annual Bergen's Top Lawyers peer-review survey, conducted by Professional Research Services (PRS) of Troy, Mich. Thousands of attorneys throughout Bergen were contacted by PRS & asked who they would recommend within the county in given areas of law. Via an online ballot, each attorney was allowed to recommend up to three colleagues in each given legal specialty. (Note: The opinions are not those of (201), North Jersey Media Group or any of its employees.)

Once the online nominations were complete, each nominee was carefully evaluated on the basis of the survey results, the legitimacy of their license & their current standing with the State Bar Association of New Jersey. Attorneys who received the highest number of votes in each specialty are listed on the following pages in alphabetical order.

This list is a resource for anyone seeking professional legal advice or counsel, but by no means does it fully represent all of the fine lawyers in Bergen. The lawyers selected reflect the confidential opinions of the survey participants. Moreover, voters & honorees chosen in the voting process were not required to advertise. Please join us in congratulating all of the winners.
